## What is *E-ZPass* Maryland?

*E-ZPass* is an electronic toll collection system that allows you to pre-pay tolls, eliminating the need to stop at the toll facility, and avoid paying the higher Video Toll Rate at Cashless Toll facilities. Drivers open an account with the Maryland Transportation Authority (MDTA) to pre-pay, and indicate their vehicle, payment method and contact information. *E-ZPass* Maryland is the most convenient and affordable way to pay your tolls.

## How Does it Work?

The system has three components:

- 1. Transponder:** electronic device attached to your vehicle's interior windshield
- 2. Overhead Antennas:** read the transponder on your vehicle and deduct the toll from the account
- 3. Video Cameras:** identify when a vehicle goes through a toll facility without paying or the account funding or information is not accurate

Mount the *E-ZPass* transponder on your windshield behind the rearview mirror. The overhead antenna detects your transponder as your vehicle drives through, registers the toll electronically and sends the information to the MDTA system where the toll is deducted from your account.

## How Much Does it Cost?

- Interior transponders are FREE!
- \$25 is the minimum needed to open an *E-ZPass* Maryland account and 100% goes towards your tolls once your account is set up.
- There is NO \$1.50 account maintenance fee for accounts with a Maryland address. Accounts without a Maryland address are charged a \$1.50 monthly account maintenance fee, unless the account uses Maryland toll facilities three or more times in one statement period.

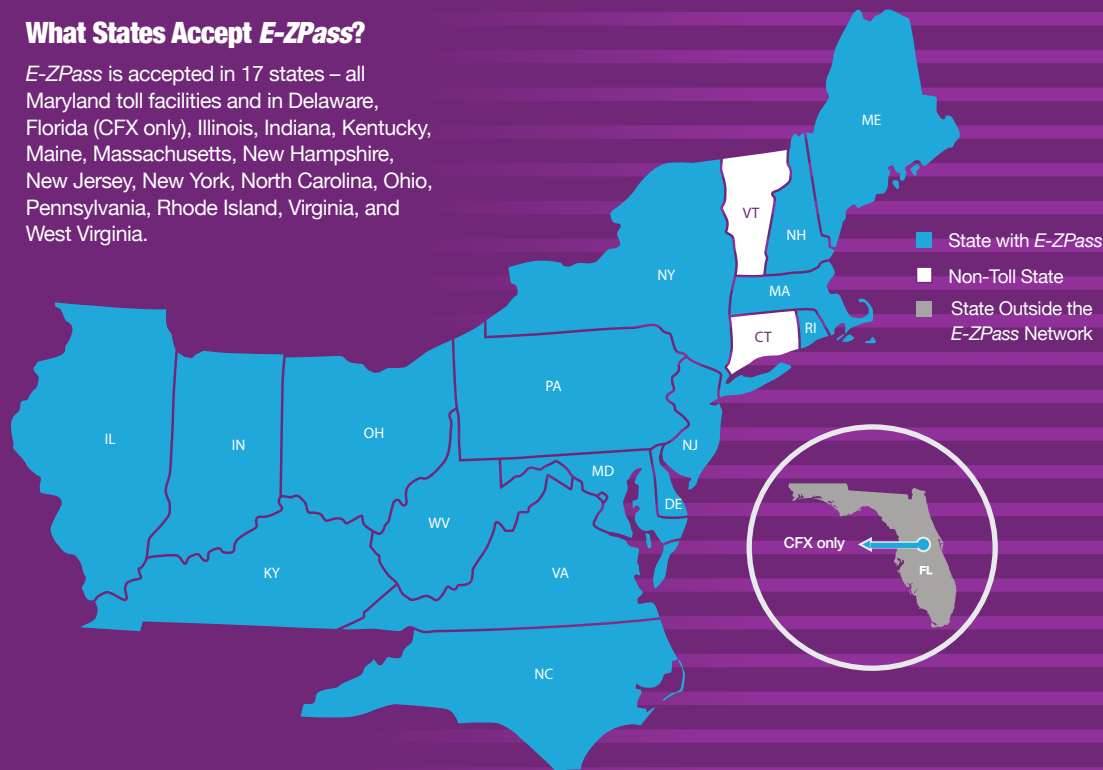

## Are Motorcycles Eligible for an *E-ZPass* Account?

Yes. Motorcyclists are eligible to join *E-ZPass* Maryland. Visit [ezpassmd.com](http://ezpassmd.com) for more information.

## What States Accept *E-ZPass*?

*E-ZPass* is accepted in 17 states – all Maryland toll facilities and in Delaware, Florida (CFX only), Illinois, Indiana, Kentucky, Maine, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, Virginia, and West Virginia.

## What Do I Need to Get Started?

- Current name, mailing address, email and phone number
- Current driver's license number
- Current vehicle year, make, model and license plate number
- \$25 (the minimum needed to open an *E-ZPass* Maryland account)

## What is *E-ZPass* "On the Go"?

*E-ZPass* "On the Go" is a transponder that comes with a pre-paid toll balance of \$25 that's ready for immediate use and available at participating retailers including Maryland Giant Food Stores, Weis Markets, and most MDOT MVA locations.

## Where Can I Join *E-ZPass*?

- *E-ZPass* Customer Service Centers (receive your transponder on the spot)
- *E-ZPass* "On the Go" is available at participating Giant Food Stores and Weis Markets and most MDOT MVA locations (receive your transponder on the spot)
- Online at [ezpassmd.com](http://ezpassmd.com) (receive your transponder in the mail within 5-7 business days)
